\*Points for each position will be added and split equally in the event of a tie.

\*Points shown are split equally between Better Ball partners. For example, finishing 10th at the Zeigler (Level 6) would grant 30 points to each team member, 60 total.

\*Only championship flights, up to 20 places, are eligible for points.

\*For Open events, points are awarded based on the finish of Amateurs only.
